see reverse for details of study

GROUP	STUDY
MIDDLE SCHOOL LIFEGROUP (GR 6-8)	Exodus led by Middle School LifeGroup Leaders. For the first part of our worship service, we invite our middle school students to join us in the main worship area (cafetorium). After communion (before the message), our middle school students will be released and can head to room 115 where their group leader will meet them. This semester, our MSL will be studying the book of Exodus.
MARRIAGE ONENESS	“Marriage Oneness” by LifeReady This is an amazing study meant to strengthen marriages. This program has been used by millions of couples and features sessions that discuss communication, conflict resolution, money, beliefs and much more. Space is limited. Materials are \$40. Led by our LifePointe Marriage Ministry.
CAMPBELL GROUP	“Lies Young Women Believe” Nancy Leigh DeMoss & Dannah K. Gresh In this study, we will expose the lies most commonly believed by young women. In the book, the authors share real-life accounts from some of the young women they interviewed, along with honest stories about how they’ve overcome lies they themselves believed. They get down in the trenches of the battle with you.
BURTON GROUP	“Courageous” based off the movie. This compelling Bible study based on the movie Courageous. This 8-session study will take individuals and small groups deeper into biblical truths for a godly family, exploring topics such as redeeming your history, walking with integrity, winning and blessing the hearts of your children, and more.
INTENSIVE STUDY	“A Study of New Religions” with Dr. Divino This is a four week study that will take place in October. It will be led by Dr. Divino from Mid-Atlantic Christian University in Elizabeth City, NC. Dr. Divino has lead congregations in South America and chaired numerous multi-cultural committees and organizations. Dr. Divino will be helping us examine different world religions and how that knowledge can help us better reach others for Christ.
INTRO TO THE BIBLE.	Introduction To The Bible Are you intimidated by the Bible and wish you understood it better? If so, join us for this seven week course which will cover the basics of understanding the Bible; its history, its authors and its purpose.
PFEIFER GROUP	“Parental Guidance Required” by Andy Stanley Of all the assignments God will give you during your time on earth, none may be more sacred than the task of raising your children. The Parental Guidance Required Study Guide is designed to give you the counsel you need to help prepare your children for the future.
YOUNG ADULTS GROUP	“Adulting” by Jonathan Pokluda <i>This study looks at the art of “adulting” for Christ. The study walks through how to discern God’s will for your life right now and specify how you can best glorify Him through your career, relationships, and commitments.</i>
WEDNESDAY WOMEN’S GROUP # 1	“Stuck” by Jennie Allen Too many of us walk through life feeling like we don’t measure up—that if we could only work harder or perform better, we would be enough. But the truth is, we will never be enough. And thankfully, we don’t have to be. This study walks us through key passages in the Book of John to show us that Jesus is enough. Realize we don’t have to prove anything because Jesus has proven everything.
HIGH SCHOOL LIFEGROUP (GR 9-12)	“Thriving in Babylon” by Larry Osborne These are confusing times for many Christians. Traditional biblical values are not only rejected; it seems as if they’re attacked on every front. How can we spiritually survive in an increasingly spiritually hostile environment? This group will examine the life of Daniel in search of these answers.
ROSS GROUP	“Nehemiah” by Matt Chandler Nehemiah centers on the Lord’s providential protection of His people and the expected response of obedience and faithfulness in prayer and praise. This series explores the importance of God’s Word, the reality of opposition, God’s power to restore broken lives and the need for prayer.
CARNE GROUP	“Apologetics” by the RZIM foundation Designed to introduce a comprehensive range of apologetic arguments and strategies. Students of this rigorous curriculum will become adept at recognizing the many world-views influencing our culture and equipped to challenge the assumptions of these world-views.
WEDNESDAY WOMEN’S GROUP #2	“We Saved You A Seat” by Lisa-Jo Baker Join us as we explore our relationship with Jesus as the ultimate model for authentic friendship. Nothing shapes us like the impact of a friend - it’s how Jesus radically and intimately connects with us. So instead of chasing perfection, overcome your fear of being known and find the courage to connect.
THURSDAY WOMEN’S GROUP	“Lord, Teach Me to Study The Bible in 28 Days” by Kay Arthur Learn to mine the riches of God’s Word for yourself! Using select practice passages for each technique, the hands-on workbook explains keyword searches; contexts; themes; interpreting Scripture with Scripture; metaphorical and literal phrases; the use of cross-references and multiple translations; and word, topical, and character studies. This study will be followed by a study of Philippians and Colossians.
BATEMAN GROUP	“Dinner and Devo” Pizza, potluck or maybe even some “fine” dining. Join us each week for food and a devotional brought by our group leader or others in the group.
SATURDAY MEN’S GROUP	“The Book of James” by Francis Chan Words are powerful and they have consequences. What to say. How to say it. What not to say. When is it best to remain silent. And what to do when you’ve said something you wish you could take back. Sometimes we should just keep our lips zipped.
SATURDAY WOMEN’S GROUP	“Here & Now... There & Then” by Beth Moore Have you ever been curious about the book of Revelation? Join us for this group as we study Revelation and the various points of view for the book and what they mean for the Christian.

If you have any questions regarding any of these groups, please feel free to contact the group leader or our lead minister, Phillip Murdock (philm@ipconline.net).
